# ★ Morganfield's ★ STICKY BONES®

All of our ribs are imported from Europe & given the VIP treatment of overnight marination in our specially guarded recipe of spices & liquid smoke. They're then slow cooked for painstaking hours in the oven, making sure every single rib is juicy & off-the-bone upon the gentlest touch of a knife. Upon your order, they're smothered with your choice of sauce & chargrilled to perfection giving a nice little crunch on the outside. We highly recommend eating with your hands, while getting your fingers sticky. Sticky Bones®, truly one of life's greatest pleasures!
